2. **Business Arising from the previous Minutes**

Fred Berry presented to the membership the pocket crest that was manufactured. The crest developed was not the crest that was requested in terms of colours. Fred will see if a discount can be obtained given that it was the error of the supplier. An effort will also be made to have a coating applied to the back of the crest in order to provide some rigidity.

3. **Executive Reports**

Assignor's Report: Brian reminded all members that if someone has an issue with how the games are assigned, they should contact him personally in order to resolve the problem.

There are a number of changes to the schedule this week. BCI was to hold a doubleheader on October 24th. Due to illness and injury, the senior game has been cancelled. One crew will cover the game at St. Michael's and the remaining game at BCI. The games have also been moved from Saturday to Friday. NCAFA has a tyke playoff game on Saturday.

The home games for Queen's, contingent upon them winning, will be November 7th, 14th, and 21st. Members were asked that if they did not want to work the stick crew that they should mark themselves as not available on the 14th and 21st.

Brian noted that there are some officials who have experienced a great deal of travel while others have not often left the city limits. The coming week will be an opportunity to balance the scale.

4. **Adjournment**

MOVED by John Lowen at 7:20 p.m. that the meeting does now adjourn.
