2. **Business Arising from the previous Minutes**

a) **Inclement weather pants:** The question was raised that if an official does not purchase the inclement weather pants, can that official participate, particularly as the season progresses into the late fall?

Officials were reminded of the By-laws that were passed at the last AGM and of the Motion that carried on September 8th. The Association is prepared to take payment for the inclement weather pants from each official's game fees. Fred Berry noted that he has order forms for those officials that require the inclement weather pants. The forms also include the option to purchase other KFOA wear. The KFOA crests are less than \$8.

3. **Collision at the Causeway**

Feedback forms have been provided to the participating schools. Once the forms are collected, a complete report will be provided to the membership.
